Notice: traffic management on Adelaide Road and upcoming utility surveys

October 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can work within the guidelines are operational. All sites will remain under constant review.

Extension of traffic management on Adelaide Road until late November

Works to install our worksite boundary are now underway. Unfortunately, due to the ongoing impact of COVID-19 on our supply chain the current temporary lane closures and traffic lights on Adelaide Road will now remain in place until late November.

We apologise for the disruption this further delay will cause and will remove the traffic management as soon as possible.

Closure of Adelaide Road / Eton Road junction

From 2 November until Adelaide Road is reopened to two-way traffic, we will temporarily close the junction of Adelaide Road and Eton Road. A diversion route will be clearly signed and is shown on the map on the following page.

This temporary change has been agreed with Camden Council to assist with waste collections and to reduce queuing vehicles on Adelaide Road and local streets.

Dates mentioned in this notification may change due to unforeseen circumstances. We will continue to provide updates about our works at hs2incamden.co.uk

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works

Traffic management on Adelaide Road extended until late November.

From 2 November until late November there will be no access between Eton Road and Adelaide Road

Utility surveys will take place from 2 to 3 November – these will take place overnight from 9pm to 6am the following morning

We may be on site for an hour before the start and/or end of each shift

What to expect

Traffic management on Adelaide Road, Eton Road and Fellows Road (see maps on the following pages)

A water tanker will be present during the surveys should we need to jet any form of blockage found in the sewers

The surveys will cause minimal noise disruption

We will provide updates at HS2incamden.co.uk

Drainage surveys from 2 November

During the week commencing 2 November, we will be carrying out surveys on Adelaide Road and Fellows Road. Each survey is planned to take place in one overnight shift from 9pm to 6am the following morning to minimise further disruption to the road network. We will use a camera to investigate the condition of the drainage and may need to flush the drainage using a high-pressure water jet.

On 2 November, a lane closure will be in place overnight on Adelaide Road near the junction with Eton College Road. Parking bay suspensions will be in place on Eton College Road and bus stop CB (Chalk Farm) and CA (Chalk Farm) will be suspended overnight.

On 3 November, surveys will take place within the existing parking bay suspensions on Fellows Road, opposite Eton Road.

Maps showing the locations of these surveys are included on the following page.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
